

Canceling your AP[®] Exam score permanently deletes it — it cannot be reinstated at a later time. Scores may be canceled at any time. However, for scores not to be sent to any college indicated on your AP answer sheet, AP Services must receive your request by **June 15 of the year in which you took the AP Exam**. Once you request a cancellation, the exam will not be scored, and a score for that exam will never be available. (Archived scores *cannot* be canceled.)

By signing this form, you confirm that you agree with the terms and conditions on this form. You also certify that you are the person (or the parent/guardian of the person) whose personal information is being provided for this service.

Provide the information requested and mail or fax this form to the address or fax number below. Please print all of the fields except Signature. (You can also give this form to your AP Coordinator after the exam.)
